Dear friends of Hotel Gračanica,

After 5 years, there is finally a new, updated edition of the **Bradt guidebook Kosovo**. Available at the hotel for 21.80 €, where we also have the new edition of the Bradt guidebook Serbia (19.80 €)

Train and bus schedules, the next marathon, waiting times at the borders, hiking trails in Gračanica, Brezovica or Dragash, or fashion designers in Pristina: You'll find all of these on our website, under <https://www.hotelgracanica.com/things-to-do/> or <https://www.hotelgracanica.com/useful-links/>. And if we have missed some, please tell us!

THINGS TO DO IN KOSOVO: Sip a macchiato. Watch the people. Take off your watch. Relax at Hotel Gračanica. Gaze at the horizon. Bike or hike without trail. Neglect your appearance. Eat with your fingers. Discover the beauty. Feel free. Get invited by strangers. Be offered homemade raki for breakfast. Make friends. Delve into Balkan rhythms and jazz. Stay up until dawn. Look at the stars when the electricity goes off.

Farija and Bajram Mehmeti, the Roma painters whose works we exhibited at the hotel in 2013, are dreaming of having an atelier. They have found generous support for that from many sides, but 8'445 € are still missing, and 11 days are left for the crowdfunding. Can you contribute on <https://kosovaideas.com/campaign/detail/353?>

Check the video about them on Radio Free Europe (in Albanian/Romanes):

German speakers: **Bayern 2** hat am 15. Oktober "Hotels, die so besonders sind, dass sie allein schon die Reise wert sind", vorgestellt, darunter auch unser Hotel: ""Das erste Boutique-Hotel im Kosovo. Ein Hotel, das Hoffnung macht. Coole Architektur, schöner Pool - das Hotel Gracanica könnte in Palm Springs stehen. Hier im Kosovo ist es nicht nur das erste Boutique-Hotel, es trägt auch zur Völkerverständigung bei, wie Christoph Kersting herausgefunden hat."

Nachzuhören auf <http://www.br.de/radio/bayern2/programmkalender/sendung-1770144.html>.

German speakers: Die Geschichten aus dem Hotel sind nun - im Hotel - auch als Büchlein erhältlich.
