Dear friends of Hotel Gračanica,

We now offer **massage** at the hotel, for hotel as well as external guests. Our massage therapist, Katarina Ristić, has a diploma in therapeutical massage from the Medical Highschool in Čuprija, eight years of experience - and our staff members who used her services felt like newborn afterwards. 30 minutes of massage cost 15 €, 60 minutes 20 €, and every 5th massage is for free.

We had - again - some problems with our **solar pool heating**, but now it is working again and, on sunny days, has already temporarily increased the water temperature to 17°. So, depending on the weather, we might soon reach comfortable temperatures. We'll inform you on our [Facebook page](#) and [www.hotelgracanica.com/pool](http://www.hotelgracanica.com/pool).

Also not quite there yet, but soon: Last year, we have been exploring new **biking and hiking trails** in the area of Gračanica, supported by PPSE through GearsUp Solutions. Recently, we have finally received the approval of the municipality of Gračanica for marking the trails and putting up signposts, and will do so in the coming weeks. If you have a good sense of orientation, you can already profit now from the beautiful weather and check out the trails. Just download the [map and descriptions of the trails](#) from our website. Mountain bikes can be rented at the hotel.
