Dear Friends of Hotel Gračanica,

After Zurich, Palermo and Marseille, **MANIFESTA**, the European Nomadic Biennial, this year comes to Pristina with a 100-day programme of art, performances, events and workshops with the goal of empowering citizens to reclaim public space.

22 July - 30 October 2022

Don't miss it!

We are proud that three artists, [Driton Selmani](#), [Farija Mehmeti](#) and Arbnor Karaliti, have been selected to participate in the Manifesta who have works of art also at our hotel (for our latest acquisition, s. www.hotelgracanica.com/news/past-events).

German Speakers:

Eine grossartige Möglichkeit, die Manifesta zu besuchen, ist die "Kultur, Küche und Manifesta"-Reise der Journalistin und Buchautorin Tanja Polli, vom 31. August bis 4. September: kulturreisen.indyaner.ch/manifesta-programm.

As you may know, the inflation rate in Kosovo in May was 12.5 %, according to official data. For food items, the inflation rate reached even 17.1 %. We compensate the inflation for our staff, and we pay higher prices for many of the supplies we need at the hotel. We are therefore forced to raise some of our prices, for rooms up to 6 € (7 %) per night, but also for a number of dishes, drinks and services. You can find the updated prices on our website www.hotelgracanica.com. If the inflation rate doesn't drop, further price increases might be inevitable.

We have new stocks of our T-shirts, in many different colours!
